LETTER

This is in response to telephone messages from Examiner Susan Ungar on March 4 and 5, 2002 to the undersigned attorney. The Examiner requested that Applicants transmit by facsimile the amendment to claim 20 which was filed with the USPTO on October 27, 1999. This amendment was apparently not entered and a later filed amendment to claim 20 dated July 16, 2001 was entered. Therefore, as requested by the Examiner, Applicants are resubmitting the amendment to claim 20 originally submitted October 27, 1999.

Please amend the application as follows:

In the Claims:

Fab G
 (Amended) 20. A composition for the formation and/or maintenance of chondrocyte and/or cartilaginous tissue in a patient in need of same comprising a therapeutic amount of the human SDF-5 protein according to claim 19.

REMARKS

Claim 20 has been amended to include the phrase "for the formation and/or maintenance of chondrocyte and/or cartilaginous tissue in a patient in need of same". As set forth in the
